

Day 34, August 7th

Bible Text: Mark 12:30-31

By Minister Isabel Lee

Reflection:

God freely put everything on the line for us, embracing our condition and exposing Himself to the worst by sending his own Son (Romans 8:32, The Message) from His heavenly home to die on Calvary. He loves us to the uttermost. His command and our response are to give our all to Him by loving Him with all that we are.

- **Love God with your heart** (Devotion) – Treasuring God above all else and responding to Him with wholehearted worship.
- **Love God with your soul** (Desire) – Aligning our deepest passions and overall purpose with His kingdom and will.
- **Love God with your mind** (Discernment) – Seeking to know His Word so His truth can transform our understanding and thinking.
- **Love God with your strength** (Deed) – Honoring God daily through our actions, abilities, time, and resources to live according to His purpose.
- **“To love your neighbors as yourself”** - Showing God's love by treating others with compassion, respect, and selfless care, seeking their well-being as you would your own. When we love God fully, we will see others with God’s eyes and heart.

1. How can I and CBCM love God with an all-encompassing way?
2. How can I and CBCM love people around us with the love of God?

Closing Prayer:

Lord, thank You for Your steadfast love for me. Help me to love You today with all my entire being, offering all that You have given to me to Your church and Your Kingdom. Open my eyes to see the people around me the way You see them. Give me a heart of a servant, patience, humility and compassion so I can love my neighbors across the streets and around the world well. Let my represent Jesus well and reflect Your amazing grace. In Jesus Name, Amen.
